

TANGENT TECHNOLOGIES LLC TanDeck™ Limited Product Warranty

To be eligible for this warranty, contractor or homeowner must complete the registration form below and submit it to Tangent Technologies within 90 days of project completion. Tangent will acknowledge receipt and return to the homeowner a Warranty Certificate.

(a) What this Limited Warranty Covers:

This Limited Warranty covers substantial defects *directly caused by termite and fungal decay as set forth below.*

(b) How Long This Limited Warranty Lasts: Subject to the terms and conditions of the Limited Product Warranty, Tangent Technologies LLC (hereinafter "Manufacturer," "We" or "Us") warrants to the original consumer ("Consumer" or "You") of **TanDeck™**, ("Products") that, in residential applications only the Products will not rot, splinter, decay or suffer structural damage *directly from termites or fungal decay* under normal use for a period of (50) years from the date of purchase (the "Warranty Period").

(c) What is Covered:

If the Products are found to be defective, We, in our sole discretion will promptly repair or replace the defective Products, or refund Your full purchase price for the Products only (excluding labor). Refunds if any will only apply to that portion of Products that are actually determined to be defective, regardless of the collective amount of Products or services purchased from Us or others.

(d) What is Not Covered:

Labor, installation and/or reinstallation, other associated costs, removal of Product, inspection, architect, contractor or engineer expenses, shipping, freight costs, fabrication and time for on-site examination by others of proposed defects are not included with this limited warranty and shall not be paid by Us. This limited warranty only applies to Products directly manufactured by Us, which are returned to Us with transportation charges prepaid by You. Under no circumstances will We be responsible for ancillary costs and expenses incurred such as labor, removal, installation, re-installation, storage, time, freight or any other charge incurred by You, related to defective product. You are solely responsible for determining the suitability of use or application of any Product and whether Product meets the requirements of applicable building codes for specific applications. We do not warrant or guarantee, and You or your contractors are solely and exclusively responsible for determining (i) suitability of using Products in any particular application and/or design, and (ii) structural integrity and safety of all structures of any kind whatsoever constructed in whole or in part using Products. You and your contractor *must* review Manufacturer's Product Specifications and Installation Guidelines, and consult with an architect, engineer and other design professionals to determine suitability and applicability to local and/or national building and safety code regulations regarding all applications of Products. We will have no warranty obligation with respect to the Product if any of the following events occur: (a) the Product is subjected to abuse, misuse, negligence, improper or abnormal use, failure to maintain, fire, or any accident including without limitation, acts of God, or environmental pollutants; (b) installation, storage, handling, fabrication, engineering, service, maintenance or use of the Product which is not in accordance with the written installation requirements and/or is performed improperly, negligently, or by unqualified or unauthorized personnel or without competent supervision and as specified by Our literature, applicable laws regulations and industry standards (c) movement and/or collapse of the ground or structure on which the assemblage(s) incorporating the Product is installed (e) any variation of color, including but not limited to fading, discoloration and spotting (f) issues arising from expansion and contraction, nor any signs of static electricity of the Product as both are inherent to the Product (g) the Product is materially altered or modified (except if prior written approval of Manufacturer is obtained after the original installation); or (h) We have not received full payment for the invoice price of the order containing the warranted Product.
